Pilot: Have you ever flown in a small plane before?
Passenger: No, I have not.
Pilot: Well, here is some chewing gum. It will help to keep your ears from popping.
Pilot (after the plane landed): Did the gum help?
Passenger: Yep. It worked fine.
The only trouble is I can't get the gum out of my ears.

There are three types of people in this world. Those that make things happen, those that watch things happen, and those that wonder what happened.

An elderly woman and her little grandson, whose face was sprinkled with bright freckles, spent the day at the zoo. Lots of children were waiting in line to get their cheeks painted by a local artist who was decorating them with tiger paws. "You've got so many freckles, there's no place to paint!" a girl in the line said to the little fella.

Embarrassed, the little boy dropped his head. His grandmother knelt down next to him. "I love your freckles. When I was a little girl I always wanted freckles," she said, while tracing her finger across the child's cheek. "Freckles are beautiful." The boy looked up, "Really?"
"Of course," said the grandmother. "Why just name me one thing that's prettier than freckles." The little boy thought for a moment, peered intensely into his grandma's face, and softly whispered, "Wrinkles."

Dear Heavenly Father,

I think you'd be proud of me! So far today I've done all right. I haven't gossiped, lusted, lost my temper, haven't been greedy, grumpy, nasty, selfish, or overindulgent. Praise Your Name!
I'm grateful for Your grace...
But Lord, a few minutes from now, I'm getting out of bed... From then on I'm going to need a lot MORE of Your help

Age, is a matter of the mind...
If you don't mind, it doesn't matter

Every thing happens for a reason. Just be patient and in time, those reasons will be answered for you. Sometimes, the big question is (Why, is this happening to me)? The answer to that question is, every day that we wake up, we are gaining incredible knowledge, experience and wisdom. Cherish these moments, hold them close to your heart, for these are the Lessons of Life."

A man was sent to prison for 20 years. He was so bored while in there; he found an ant and decided to teach it tricks - like beg, play dead, roll over, jump hair etc. He served his time and was released. He took his ant with him in a matchbox. The first place he went was to a bar. He sat down, took out the matchbox and emptied out the ant. He then said to the guy beside him, "you are not gonna believe what this ant can do". He showed him all the tricks and the guy was impressed. He told him that he could make a fortune with the ant. The guy with the ant was excited and called the bartender over and said "you see that ant?" The bartender put his finger on the ant, twisted it and said "sorry sir it won't happen again."

A Policeman stops a speeding
car and tells the woman driver;
When I saw you driving down
the road, I thought to myself,
"sixty-five at least."

The woman replied: I don't
think that is quite fair. I think
this hat makes me look older.

If you store opened containers
of items like cottage cheese
upside down in your
refrigerator, the contents will
remain fresh far longer that if
stored right side up because
gravity helps keep spores from
growing as quickly.

At a divorce court a family of
bears is waiting for the judge to
grant custody of little bear.
The judge asks the baby bear;
"do you want to live with papa
bear?" The baby bear replied;
"No he beats me. " The judge
asked, so do you want to live
with mommy bear! The baby
bear said, "No she beats me
too." The judge asked, "Then
whom do you want to live
with?" The baby bear says, "The
Chicago bears, they don't beat
anyone!"

Keep that smile!
Till next time
